

CBI QUICKFACTS

OUR MISSION

CBI is a member-driven organization serving students and advisers of student media. Through events, programs and a network of expertise, CBI fosters experiential learning, professional opportunities and advocacy for the success of student media programs.

WHO WE ARE

Advocates

CBI advocates for student media outlets when student control is threatened by institutions, regulatory agencies, or other entities, through regulatory filings, official letters, and press releases.

Convention Hosts

We host an annual in-person convention in rotating markets, connecting students with media professionals, plus a focused summer virtual workshop alternating between leadership and sports media skills. Next up Denver October 22-25!

Award Presenters

Our National Student Production Awards recognize the efforts of member outlets creating content, and award physical trophies to all finalists, setting us apart from other organizations.
